MEMORANDUM FOR: Assistant Chief of Staff for Intelligence
United States Army

SUBJECT : Dissemination of Information from Project [redacted] 25X1

1. In the discussion of Project [redacted] at the United States Intelligence Board meeting on 10 February 1959, the Chairman emphasized the importance of distribution of the raw data to appropriate interested Board Agencies as it becomes available rather than deferring dissemination until confirmation had been received from other sources or more definitive reports could be made. This Office is particularly interested in receiving such direct distribution and it is, therefore, requested that we be furnished on a regular and timely basis the integrated technical data on each event [redacted] 25X1
as compiled [redacted] 25X1

2. These reports should be directed through normal channels to the Assistant Director for Scientific Intelligence, Central Intelligence Agency.
